

Ramdas Ware

Senior UX / UI Designer | 11+ Years in UX Strategy, Research & Product Design

 ramuware@gmail.com |  (+91) 9096289207 |  www.ramdasware.com |  Pune, India

Skills & Tools

- UX Strategy & Research:
Interviews, Personas, Journey Mapping, Usability Testing

- Interaction Design:
Wireframes, Prototypes, Interactive Mockups

- Design Systems & IA:
Component Libraries, Navigation Flows, Style Guides

- Accessibility & Standards:
WCAG 2.1 AA, Mobile-First, Responsive Design

- AI in Design: AI-driven Design-to-Code, Figma AI (Make), Applitools (Visual Testing)

- Collaboration & Leadership:
Agile/Scrum, Stakeholder Alignment, Team Mentoring

Tools: Figma, Sketch, Adobe XD, InVision, Axure, Miro, Zeplin, Photoshop, Illustrator, HTML5, CSS3, JavaScript, Bootstrap, WordPress

Education

M.Sc. Computer Science | 2008 – 2010

Certifications

- Human-Centered Design for AI – Interaction Design Foundation

- Elevating UX with AI Design Patterns – Interaction Design Foundation

- AI for Design Systems Leadership – Interaction Design Foundation

- Design for a Better World – Interaction Design Foundation

Professional Summary

I'm a Senior UX/UI & Visual Designer with 11+ years of experience creating intuitive, visually polished, and scalable digital experiences. I specialize in high-fidelity UI design, design systems, and simplifying complex workflows across web and mobile applications. My expertise spans user-centered design, visual storytelling, and building pixel-perfect interfaces using Figma. I collaborate closely with product and engineering teams to deliver user-friendly, high-impact solutions that align with business goals.

Professional Experience

Lead UX Designer | Opus Technologies | 02/2023 – 11/2025 | Hybrid

- Redesigned secure card payment flows for TCM Bank, cutting average transaction time from 28s → 23s (18% faster) and increasing completion rates by 12% across 250K+ monthly users.
- Improved Paysemble digital payment platform, lifting NPS from 62 → 71 and boosting customer satisfaction by 15% through simplified dashboards.
- Partnered with engineering and compliance teams to ensure PCI-DSS adherence, preventing potential audit risks and strengthening client trust.
- Introduced AI-powered prototyping in Figma, reducing iteration cycles by 25%, enabling faster go-to-market.

Senior UX/UI Designer | Nihilent Ltd | 04/2021 – 02/2023 | WFO/Remote

- Led UX for Sapient, Rebate Castrol Tool, Benchmark, and Artoreal, serving 10K+ enterprise users across domains.
- Improved workflow efficiency by 20% with optimized dashboards and simplified task flows.
- Conducted full-cycle UX: research → wireframes → usability testing, cutting rework time by 30% in dev cycles.
- Advocated for accessibility-first design, achieving WCAG 2.1 AA compliance across 3 platforms.

Senior UX/UI Designer | Deutsche Telekom Clinical Solutions | 07/2017 – 03/2021

- Directed UX for I-MedOne healthcare platform used by 5,000+ clinicians in Germany.
- Reduced medical record retrieval time by 35% (2.8 min → 1.8 min), enabling doctors to see more patients per day.
- Improved clinician engagement scores by 22% with iterative prototyping and usability testing.
- Collaborated with compliance and security teams to ensure GDPR adherence.

UI/UX Designer | Experis IT India (Contract at Nihilent Ltd.) | 11/2015 – 01/2017

- Designed eCommerce and entertainment platforms (Artoreal, Tumbhi) with 100K+ users, increasing engagement by 22% through streamlined navigation and checkout flows.
- Delivered responsive designs that reduced mobile cart drop-offs by 14%.

Senior Executive – Web Designer | Capita India Pvt Ltd | 02/2013 – 02/2015

- Enhanced Marks & Spencer's global eCommerce platform, implementing mobile-first design that increased mobile sales by 17% YoY.
- Ran A/B experiments that lifted campaign click-through rates by 18%, contributing to seasonal revenue growth.
